"I began working with AEIOU in 2005, and in that time, I've witnessed the direct impact the Foundation has had on the lives of thousands of Australian children. It's incredible to see how quickly AEIOU has grown and I'm delighted to partner with them again this April.

I encourage everyone to join me and make a difference by donating and entering the draw to win one of my favourite gowns from this collection."

 AEIOU Ambassador**
